BACKGROUND

ABOUT

I am a creative and detailed oriented person who loves a good challenge. I have been a professional tile installer for the last thirteen years and even though this work brings me satisfaction, I have realized that I do not want to do it for the rest of my life. Instead, I would love to build and design websites along with applications.

WORK EXPERIENCE

Lead Installer, Custom Flooring Concepts

May, 2004 - Dec, 2011 7 years 7 months

At my father's construction company, Custom Flooring Concepts, we installed custom tile showers and hardwood floors.
